Apply for the  
empowering people. Award 2019  
Technologies for basic needs

www.empowering-people-award.org
Siemens Stiftung launches the empowering people. Award 2019 – an international competition that identifies and promotes social entrepreneurs with promising low-tech solutions in developing regions. The award offers prize money, global exposure and access to a vibrant ecosystem that brings together experts, potential partners and investors.

You Can Be a Winner if Your Organization

- Resolves basic supply gaps in developing regions
- Uses a technically feasible solution
- Is based on a sound social business concept
- Consists of passionate people

Winning projects will be assessed by an international expert jury.

Are You a Social Entrepreneur Creating a Sustainable Impact for Communities?
